Class Descriptions

Candlelight Restorative

Restorative is a passive practice using props (such as blankets and bolsters) to facilitate deep relaxation and restore the nervous system. The class is floor-based and generally held passively to allow for students to unwind and restore. This class is great for anyone and everyone seeking balance and relaxation from a busy lifestyle.

Open Studio Time

Enjoy thirty minutes of sacred space dedicated to you easing into your weekend in a way that feels good for you. You get to decide how you spend this quiet time (legs up the wall, journaling, meditation, prayer). The door will be locked during this time and will open at 9:45 to transition to 10 am class.

Vin-Yin Yoga

Vin Yin Yoga, also referred to as Yin Yang Yoga, is a yoga sequence that combines Vinyasa Yoga and Yin Yoga. This is normally done with Vinyasa as the first half of the sequence and Yin Yoga as the second half. The Vinyasa portion warms the body up and rids your body of excess energy. After this, your body is ready to relax and lengthen during the Yin Yoga portion. Come to experience breath, flow, balance and stretching to release in our mind, body and spirit anything you've held onto throughout your day.

Slow Flow FAC

This yoga class is great for brand new beginners and continuing students. A wide variety of postures (which vary by class) will be offered via in-depth instruction, including breath techniques. Newer students find this Gentle yoga builds confidence and familiarity. More experienced students appreciate a slower pace to refine skillful alignment and awareness. You will develop strength, flexibility, and mindfulness. Pose modifications (options and variations) will be provided to support each student.

Morning Bliss

A gentle, flowing practice infused with some grounding yin postures to get you "blissfully" started with your day! Although this isn't a rigorous practice, you'll stretch and increase your range of motion with adaptations available for various levels of practice.

Candlelight Restorative with Sound Healing

Discover a deep relaxation while being bathed in the vibrations of various instruments such as crystal singing bowls, symphonic gong, drums and more. The combination of sound and restorative poses can strengthen one's meditative experience.

Vinyasa Flow

Vinyasa is an active practice that includes postures to build strength and flexibility. This class incorporates breath-to-movement sequences, and will provide an opportunity to build proper alignment and explore the intricacies of each pose. Come to experience breath, flow, balance and stretching to release in our mind, body and spirit anything you've held onto throughout your day.

Yin Yoga

A slow and meditative class that is composed of seated and reclined poses, each held anywhere from 2-5 minutes. This unique style focuses on targeting the connective tissues (bones, joints, ligaments and fascia.) This class emphasizes body awareness and does require a physical effort to hold the pose.
